Pramerica Life Guaranteed Return on Wealth

A Non-Linked Non-Participating Individual Life Insurance Savings Plan

We believe everyone, regardless of their life stage and the dreams they have for their family, can take control of their financial future and can make a plan to reach their goals without any uncertainty. Timely and regular savings help you in bridging the gap between where you are today and where you want to be in terms of your finances. Every individual's financial requirements are different. While some may want to save towards their goal of one-time fund to cover the expenses for occasions like a child's marriage or college education expenses, others may want regular income for themselves to cover monthly future expenses. What if there was a reliable way to beat the uncertainties of life that offers a guaranteed financial future?

Presenting

Pramerica Life Guaranteed Return on Wealth,

a life insurance plan with guaranteed benefits. So you can pursue dreams for yourself and your loved ones with the reassurance of a life cover and a guaranteed future.

How does the plan work?

You can purchase this policy either through any of our intermediary or online from our website in 3 simple steps:

Step 1: Choose the plan option

Step 2: Choose the Premium you wish to pay and for how long you wish to pay

Step 3: Basis the chosen plan option choose your Deferment Period, Income Period, Income Payout Frequency and Policy Term

The Survival Benefit (income) and Maturity Benefit under this plan shall be determined basis your gender, age at entry, premium frequency and the above chosen inputs.

Benefits in detail

This product provides four Plan Options to choose from, these options help you customize the plan according to your individual needs. Your benefits will vary depending upon the plan option chosen. Let's look at the benefits of each of the plan option in detail:

Plan Option 1: Income – This option shall suit you if you wish to receive regular income payouts during the term instead of one lump sum in the end

Under this plan option

- You pay premiums for your chosen premium payment term;
- On completion of the premium payment term and deferment period; a regular stream of income shall be payable in arrears for your chosen Income Period.

Survival Benefit: Guaranteed Survival Benefit in the form of income payouts shall be payable in arrears i.e. at the end of the month or at the end of the year as per the income payout frequency chosen for applicable Income Period, upon survival of the Life Insured at the time of income payment, provided the policy is in force with all due premiums paid in full. Guaranteed Survival Benefit, expressed as percentage of Annualized Premium[#], varies on the basis of chosen plan Option, Age at entry, Premium Paying Term, Deferment Period, Income Period and Premium Band.

Maturity Benefit: Maturity benefit is not applicable for this option.

Death Benefit: In the unfortunate event of death of the Life Insured during the Policy Term while the policy is in-force on the date of death, the beneficiary shall receive Sum Assured on Death.

The Sum Assured on death shall be highest of:

- Base Sum Assured which is equal to 11 times of Annualized Premium[#](or)
- 105% of the total premiums paid* till the date of death (or)
- Surrender Value as on date of death, excluding surrender value pertaining to loyalty additions[§]

Note (For all Plan Options)

[#]Annualized premium shall be the premium payable in a policy year chosen by the policyholder, excluding the taxes, rider premiums, underwriting extra premiums and loadings for modal premiums, if any. Total Annualized Premiums payable is the sum total of annualized premium for the entire premium payment term as per the policy contract.

*Total premiums paid means total of all the premiums received, excluding any underwriting extra, any rider premium and taxes.

[§]For the purpose of death benefit calculations, SSV factors, applicable at inception of the policy, are guaranteed throughout the policy term and would not change for existing business.

Other Features

Flexible Premium Payment Modes

You have an option to pay premiums Annually, Semi-annually or Monthly. Monthly mode is allowed only if the premiums are paid electronically, such as through Credit Card, Direct Debit and ECS/NACH.

Guaranteed Survival benefit under Plan Options 1, 2 & 3 and Guaranteed Maturity Benefit under Plan Option 4 will get multiplied with factors provided in table below basis the premium payment mode.

Premium Modes	Annual	Semi-annual	Monthly
Factors	100%	98%	97%

Grace Period

If you are unable to pay your premium by the due date, you will be given a grace period of 15 days for monthly mode and 30 days for all other premium payment modes. During the grace period the Policy shall continue to remain in force along with all the benefits under this policy and claim, if any, shall be payable subject to deduction of the unpaid due premium till the date of death.

Premium Discontinuance

The Policy shall acquire a Surrender Value after payment of Premium for at least first two consecutive policy years in full.

If you discontinue the payment of premiums before your Policy has acquired a Surrender Value, your Policy will lapse at the end of the grace period, the Death Benefit will cease immediately and no benefits will be paid when the Policy is in lapsed status.

If the Policy has acquired a Surrender Value and no future premiums are paid, you may choose to continue your Policy on Reduced Paid-up basis.

On your Policy becoming Reduced Paid-up, benefits under the plan will be reduced as given below:

Benefit	Payout
On Death	Paid-up Factor (multiplied by) Sum Assured on Death
On Survival (Applicable in Plan Option 1, 2 & 3)	Paid-up Factor (multiplied by) Guaranteed Survival Benefit (if applicable) during the Income Period
On Maturity (Applicable in Plan Option 2, 3 & 4)	Paid-up Factor (multiplied by) Sum Assured on Maturity as per applicable plan option, payable at the end of the policy term

Paid-up Factor = Number of premiums paid/Number of premiums payable

Revival

You can revive your lapsed/Paid-up policy for its full coverage within five years from the due date of the first unpaid premium but before policy maturity, by paying all outstanding premiums together with the interest, as applicable. The interest for revival of the policy will be charged at market related rates set by the Company from time to time. The rate of interest shall be reset on an annual basis at the beginning of every financial year (April) and would be determined based on the average of 10-year G-Sec YTM plus 75 basis points rounded down to 25 basis points. The average of the benchmark would be taken from the previous financial year for the period 1st July to 31st Dec. The source of information for 10 year GSec rate would be "CCIL". The current applicable rate of interest on policy reinstatement is 8.00% p.a. compounding monthly which would be applicable for the FY 2023-24. Revival of the policy is subject to Board approved underwriting policy, i.e. the Life Insured may have to undergo medical tests, financial underwriting etc. Upon revival of the Policy, the policyholder will become entitled to full Annual Guaranteed Additions for the policy year(s) while the policy was in paid up/lapse stage. If a lapsed policy is not revived within the revival period, the policy will terminate on expiry of the revival period.

Surrender

It is advisable to pay premiums for the entire premium payment term to enjoy maximum benefits under the policy. If your Policy acquired a Surrender Value, on payment of at least first two full years' premium and you choose to discontinue your policy, you will be entitled to receive Surrender Value which will be higher of the Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV) of the Policy. Please refer to our website or policy document for details.

Loan

You may take a loan against your Policy once it has acquired a Surrender Value. The maximum loan that can be availed is 75% of the Surrender Value. The rate of interest shall be reset on an annual basis at the beginning of every financial year. The rate of interest applicable on the loan will be declared by the

Company on an annual basis at the beginning of every financial year. The loan rate of interest is based on yield on 10-years GSEC YTM plus 150 basis points rounded down to 25 basis points. The average of the benchmark would be taken from the previous financial year for the period 1st July to 31st Dec. The source of information for 10 year GSec rate would be "CCIL". The current applicable rate of interest for FY 2023-24 is 8.75% p.a. Compounding monthly. Any outstanding loan amount together with any unpaid interest thereon shall be adjusted against any Policy Benefit which become payable during the policy term. For other than in force and fully paid up policies: In case outstanding loan amount including interest exceeds the surrender value, the policy will get foreclosed after giving intimation and reasonable opportunity to the policyholder to continue the policy.

Policies in force for full benefits or fully paid policies would not be foreclosed on the account of outstanding loan amount (including outstanding interest on loan, if any) exceeding the surrender value.

Terms and Conditions

Free look cancellation

You will have a period of 15 days (30 days in case the Policy is sold through Distance Marketing* i.e. any means of communication other than in person) from the date of receipt of the Policy Document to review the terms and conditions of the Policy and where you disagree to any of these terms and conditions, you have an option to return the Policy stating the reasons for objection. On receipt of the letter along with the Policy bond, the Company will refund the Premiums paid, subject to the deduction of proportionate risk premium and any expenses incurred by the Company on insurance stamp duty and medical examination.

*Distance Marketing includes every activity of solicitation (including lead generation) and sale of insurance products through the following modes: (i) Voice mode, which includes telephone-calling (ii) Short Messaging Services (SMS) (iii) Electronic mode which includes e-mail, internet and interactive television (DTH) (iv) Physical mode, which includes direct postal mail and newspaper & magazine inserts and (v) Solicitation through any means of communication other than in person

Suicide Exclusions

In case of death of the Life Insured due to suicide within 12 months from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the Company shall pay to the nominee or beneficiary 80% of the Total premiums paid (excluding underwriting extra, any rider premium and taxes, if any) till the date of death, or the surrender value available as on date of death whichever is higher, provided the policy is in force.

Alterations

The plan option, base sum assured, premium payment term, Deferment period, Income Period or Policy term cannot be altered after commencement of the policy. You have an option to change the survival income payout frequency from Annual to Monthly or from Monthly to Annual at any time before the commencement of Income Period however the default pay-out option shall be Annual. In case Guaranteed Survival Benefit is to be paid in monthly frequency, the benefit would be (Annual Guaranteed Survival Benefit x 97%)/12.

Waiting Period for policies sourced through POSP

For policies sourced through Point of Sales Persons (POSP), a waiting period of 90 days will be applicable from date of acceptance of risk. In the event of death (except accidental death) within waiting period, 100% of total premiums paid shall be payable to the beneficiary.

Minor Lives

In case the Life Insured is a minor at the date of commencement, the proposer can either be a parent or grandparent or legal guardian of the life insured. In case of minor lives, date of risk commencement for policies will be same as that of date of commencement of policy. The ownership of such policies will vest automatically in name of Life Insured once he/she attains majority.

Tax Benefits

Premiums paid under this plan may be eligible for tax exemptions, subject to the applicable tax laws and conditions. Income tax benefits under this plan, if any, shall be applicable as per the prevailing Income Tax Laws and are subject to amendments from time to time. Kindly consult a tax expert.

Goods and Services Tax (GST)

GST and other levies, as applicable, will be extra and levied as per prevailing tax laws and are subject to change from time to time.

Nomination and Assignment

Nomination in this policy is allowed as per Section 39 of Insurance Act, 1938 as amended from time to time. Assignment in this policy is allowed as per Section 38 of Insurance Act, 1938 as amended from time to time.

Section 41 of the Insurance Act 1938: Prohibition of rebate

1. No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.
2. Any person making default in complying with the provisions of this section shall be liable for a penalty that may extend to ten lakh rupees.

Section 45 of the Insurance Act 1938, (as amended from time to time):

Fraud and mis-statement would be dealt with in accordance with provisions of Section 45 of the Insurance Act, 1938, as amended from time to time.
