If your Policy acquired a Surrender Value, as explained above, and you choose to discontinue your policy, you will be entitled to receive Surrender Value which will be higher of the Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV) of the Policy. The Policy will be terminated once it is surrendered and cannot be revived. Please refer to policy document for details.

Loan

You may take a loan against your Policy once it has acquired a Surrender Value. The maximum loan that can be availed is 75% of the Surrender Value.
